COVERGARD

Pool Pad

Extend the Life of Your Liner

CoverGard Pool Pads protect your liner from rocks, sharp objects and grass while providing extra comfort.

CoverGard Pool Pads are double stitched and made from a light grey, heavy duty geotextile for maximum durability.

CoverWerx manufactures stock and custom size **CoverGard Pool Pads**.

Protection at it's Best!

CoverWerx mesh colours are available in both Standard Density and High Density.

HIGH QUALITY HARDWARE

Stainless steel buckles are standard.

All of our safety covers come standard with low profile commercial double springs and spring covers.

SUPERIOR WORKMANSHIP

- Full continuous premium webbing on both top and bottom of safety cover.
- Chafe strips are the full width of our webbing and 24" long. They are attached at each perimeter webbing point plus additional chafe strips are placed where needed.
- Our covers meet or exceed ASTM F1346-91 Standards.

*Note: Colour of material may vary. Ask to see an actual mesh sample at your dealer.
